

Rules for the use of licensed electronic information resources (EIR)

The Authorised User undertakes to comply with the following rules when using the licensed EIRs to which Mendel University in Brno has access, without exception and for the entire duration of the contractual relationship:

- EIR will be used exclusively for non-commercial purposes, i.e. teaching, study or research, and for their own personal use;
- will not systematically (especially automatically/robotically) or regularly download all or substantial parts of the content of the EIR, in particular will not download, copy or print entire issues of electronic journals or the text of entire chapters, much less entire electronic books, or create its own copies of databases;
- will not truncate, modify, translate or create any derivative works of the accessible EIR or any part thereof;
- will not remove, obscure or modify copyright notices or other notices contained or displayed in the EIRs made available;
- will not pass on the obtained texts or data (directly or indirectly) to other persons for any further distribution; that is: not to redistribute, reproduce, copy, lend, share, distribute (even on a public computer network) free of charge or for a fee (note: the licenses of some EIRs allow specific forms of distribution for educational purposes);
- comply with all other terms and conditions of use that apply to the particular resource and that are set out in the relevant licence agreement;
- shall not pass on their authorization data intended for remote access to the EIR for use by another person and shall protect such data from misuse.

The Authorised User acknowledges that all rights, titles and interests in the EIR remain with the Licensor and its suppliers, if any, and that unauthorised distribution of the disclosed documents or parts thereof may significantly harm the Licensor and its suppliers.

When using an EIR, it is also necessary to respect the principles arising from Act No. 121/2000 Coll., the Copyright Act as amended and the copyright regulations of the country of the publisher or provider of the EIR.

The terms and conditions for the use of the EIR within the CzechELib project are further defined in specific licence agreements, which are available at [www.czechelib.cz\(https://www.czechelib.cz/cs/145- licence-agreements\)](https://www.czechelib.cz/cs/145-licence-agreements).
