

Printing instructions

It is possible to print only **from the computers in the Library IC and the Library A.**

- save the file to computer and set the printer **SHARP SQ bw (black and white)** or **SHARP SQ color**.
- send to print, put the ISIC card to the card reader on the printer
- select the Print option to view your uploaded document, click on it and confirm printing.

You need sufficient credit on your ISIC card (you can charge credit via **ISKaM** at webiskam.mendelu.cz or **in building X or building Q**).

Common problems

Check if:

- you have selected the correct printer
- you have sufficient credit
- the card and account which the job was sent belong to the same user
